

Human Resource Development Course

Build People. Build Businesses. Build the Future.

Our Human Resource Development (HRD) course equips learners with the knowledge, skills, and strategies to manage, develop, and maximize the potential of people in organizations. Whether you are aspiring to start a career in HR, already working in the field, or a business owner who wants to strengthen your team, this course gives you practical tools to create a productive and positive workplace.

What You Will Learn

- Fundamentals of HR Management – principles, policies, and best practices.
- Recruitment & Selection – identifying, attracting, and hiring the right talent.
- Training & Development – strategies for employee growth and skill-building.
- Performance Management – techniques to measure, improve, and reward performance.
- Employee Relations – building a healthy workplace culture and handling conflicts.
- Compensation & Benefits – understanding pay structures and motivation factors.
- Leadership & Strategic HR – aligning HR practices with business goals.
